OFC OF THE PRSDNT
CITY MUNICIPAL COUNCIL MYSORE
Dated 11th Oct 1943

From

PRESIDENT CITY MUNICIPAL COUNCIL

To

Secretary to Government, Law Department,

Sir,

Subject - Contract for the supply of Horsegram, for the use of Municipal Bullocks

I have the honour to state that tenders were called for in this office notification dated 9-12-1942 for the supply of horsegram for one year as the previous contract would expire by the end of January 1943 and only two tenders were received quoting rates at Rs 17-9-0 and Rs 17-10-9 per palla of horsegram The Health Officer recommended that the quality as produced (by the) former was not good and the latter tender though high may be accepted as it was of better quality As the quantity of purchase would be large i e , about 1080 pallas a year and on a careful study of the market as it was felt that even at these rates the supply could not be assured allthrough the year, it was proposed to purchase and stock the entire quantity required for one year The contractors who were then enquired for the supply of whole stock, quoted their rates at Rs 17-4-0 per palla when the market rate was Rs 17/- and demanded a monthly rent of Rs 15 to Rs 20/- for a godown On this the proposal to purchase and stock horsegram in a building to be newly - constructed for the purpose at the Sewage Farm was placed before the Municipal Council at their meeting held on 30-1-1943 But in their - Adjourned Meeting held on 1-2-1943 the Municipal Council considered that the proposal to stock was not advantageous and that supply on contract basis may be reconsidered In view of the then urgent need for horsegram they resolved that one week's supply may be purchased for the present

On a reenquiry made, one of the contractors, Mr Nandibasappa raised the rate to Rs 19/- and the other Mr Kachappa agreed to supply

-1805-

6

at Rs 17-8-0 per palla Therefore the tender of Mr Rachappa was proposed to be accepted and approval of the Health Committee and of the Council was obtained by circulation Necessary contract agreement was obtained and monthly supplies taken

On 4th July 1943 the contractor petitioned stating that the rate prevailing was Rs 24-8-0 and that the contractor for supply of horsegram to the Palace has been granted 20% extra rate above his tendered rate and in view of the heavy loss sustained by him he may also be granted the rates allowed by the Palace On a reference made to the Palace authorities, the Munib, Palace Mothikhana replied that a surcharge of 6% over the tender rate of Rs 16-13-6 per palla till the end of February 1943 and of 20% from 1st March 1943 was granted to the contractor who supplied horsegram to the Palace

On this the Health Committee at their meeting held on 14-9-1943 considered the request of the contractor for the enhancement of the rate and in view of the prevailing market rate resolved as follows

"He may be paid at the rates paid for by the Palace authorities for these supplies "

The Municipal Council who considered the Committee's resolution resolved in their resolution No 211 dated 25-9-1943, that "the contractor may be given from 1-3-1943, the (actual) rates allowed by the Palace " (per palla)

The cost of purchase will be met out of provision of Rs 26,100/- made in the Budget under 'E 2C(1) Maintenance of Bullocks The extra cost involved by the increase of rate which works out to Rs 20-3-5 per palla amounts to Rs 2,930-10-0 and will be met out of closing balance

I, therefore request you kindly to obtain sanction of Government

(1) to pay the contractor for horsegram supply at rates paid for in the Palace and (2) to meet the extra cost involved out of closing balance

The Entire records accompany for reference and return

I have the honour to be,
Sir,
Your most obedient servant,
